

DEAR PARENTS,

Sydney North Public Schools Dance (SNPSD) is a small group of volunteer teachers, who liaise with and organise a larger group of teachers to produce the dance performances seen at our Festival each year. This year's Festival involves 3171 students, 155 separate items in 27 distinctive shows over 12 days, including matinees.

Collectively we aim to give your children the exciting and challenging experience of performing dance in the professional theatre. For us, it is an example of best practice teaching and learning and life experience.

We look forward to your support at the box office. Your support for your child is support for thousands of our children.
